

Testimonials

Homeopathic Acute Care Program

“This course provides a wonderful introduction to homeopathic medicine.”

“This course taught me the basic knowledge to use homeopathy acutely.”

“The class provided a solid foundation for acute prescribing.”

“The instructors were outstanding.”

“The course was well organized, with periodic quizzes, syllabus and excellent notes.”

“The class is designed for someone with no prior knowledge of homeopathic medicine.”

“My only complaint about the class is that I wish there was more.”

“I thoroughly enjoyed this course.”

“I loved the class discussions.”

“The teacher’s are great. I learned so much from them.”

“I can definitely highly recommend this course!”
